Subject: RE: Lower Ley Creek Meeting [ES-legal.FID1587432]

Lauren,

Sorry for the delay in getting back to you. I have finally connected with the attorneys for both Onondaga County and the Town of Salina. Both expect that their client's will participate on June 11th by either phone or in person, and will be getting back to me to confirm probably next week. I suggest we plan on starting the meeting in your offices at 1:00. I will try to get a head count in advance of the meeting to let you know how many people will be attending in person or participating by phone (let me know when you have call in information). I will also call you in advance of the meeting to talk about a general agenda.

The five companies who participated in sending EPA the package of information in February would like the opportunity to talk privately with the agency on June 11th, without the participation of the Town and County, about settlement issues/ideas raised in their February letter. To date, the Town and County have declined to formally participate with the five companies, and their situations as public entities are different from the companies. Both the Town and County understand the companies' request and are agreeable to a bifurcated meeting format. I suggest that settlement discussions between the companies and EPA be the last agenda item.

I will be out of the office the remainder of the week, but back next week. Please feel free to leave me a message if you need to talk before I return.

Thank you.

David

Subject: Lower Ley Creek Meeting

David,

In response to your voicemail, we are available for a meeting with the group on the days you proposed. Did you discuss these proposed dates with the Town of Salina and Onondaga County? If so, let's plan on having the meeting on June 11 at our offices. If not, please find out if they are planning on attending and if they are also available on the dates you proposed. We are flexible as to time, but just let me know when would be convenient for you, as I know many will have to arrange flights, so I can reserve a conference room.
